

Client Payment Options

1. Up Front Payment

Whereby the entire campaign costs are paid in advance 20 business days prior to commencement of the campaign via either cheque or direct deposit to our nominated account.

Any non scheduled production, installation and ancillary items will be payable prior to commencement of such works.

2. Direct Debit Plan

Whereby goa will direct debit your account on specific dates relative to payments due under the contract.

Terms are: -

- Scheduled production, installation and ancillary items payable in advance 20 days prior to the commencement date of the campaign.
- Media payable in advance 10 days prior to commencement of each lunar display period.
- Non scheduled production, installation and ancillary items payable prior to commencement of such works.

3. Credit Card

Whereby goa will debit your credit card on specific dates relative to payment due under the contract.
A 3% surcharge is applicable to all credit card payments.

Terms are: -

- Scheduled production, installation and ancillary items payable in advance 20 days prior to the commencement date of campaign.
- Media payable in advance 10 days prior to commencement of each lunar display period.
- Non scheduled production, installation and ancillary items payable prior to commencement of such works.

4. Trading Account

(Directors' Guarantees are required for this option)

Whereby (subject to account approval) after initial production charges, invoices will be issued on a monthly basis with payment terms.

Terms are:-

- Production and initial installations payable in advance 20 days prior to commencement of campaign.
- Media, ongoing installations, future production requirements on account, with payment due strictly 30 days from end of month.

This option is subject to completion and approval of a goa billboards credit application (including the signing of directors' guarantees) being finalised 10 days prior to commencement of the campaign.
