

The Science of Impact

#	4010 0007 ABC (Inbound)		19,117 ppd (ROAM)
	Abbotsford Road, cnr Bimbil Street, Albion		ROAM ID NO: 579
	6.00m x 3.00m (Trivision)		UBD Map 140 E15
	Illuminated (Dusk until midnight)		No extensions

This illuminated 6m x 3m trivision billboard is situated to the left of Abbotsford Road and receives head-on viewing from inbound traffic travelling towards the Brisbane CBD.

The movement of the rotating panels of the trivision billboard act to attract and capture attention of the large volumes of passing traffic on this busy northern arterial road.

Located beside Breakfast Creek, this site is adjacent to car yards, light industrial offices and warehouses.

Nearby: Albion Shopping Centre, Lutwyche Shopping Centre Windsor Park, Albion Park Paceway, Crosby Park sporting facilities, Albion Railway Station, commercial and light industrial business regions.
