This 6m x 3m panel is located to the left of the main street of Gin Gin, on the corner of Musgrave Road, facing traffic heading south towards Maryborough and Bundaberg.

The site is situated on the highway between Maryborough and Gladstone, in an area surrounded by residential and retail outlets and is 500m north of the Bundaberg turn off.

This panel provides a valuable opportunity to advertise to both local and highway traffic, as well as the tourist 'drive market'.
