This 6m x 3m panel is located to the right of the busy Lakes Creek Road and is positioned to receive head on viewing by eastbound (outbound) traffic. This section of the road is four lanes, and is the main thoroughfare to the eastern suburbs of Rockhampton as well as Emu Park and Yeppon.

Rockhampton is one of Queensland's major coastal centres, regarded as the commercial heart of central Queensland. The town is also just a short ferry ride from Great Keppell Island, a major resort island.
