	Cnr Alfred and Sydney Streets, Mackay		ROAM Data Not Available
	6.00m x 3.00m (24 sheet)		Regional map
	Illuminated (Dusk until midnight)		Rope edge skin No political   No alcohol

This 6x3m panel is located in the heart of the business centre of the city of Mackay. It is situated at the busy intersection of Alfred Street and Sydney Street, and is viewed to the right of Sydney Street by traffic heading outbound from the city centre.

Mackay is one of central Queensland's biggest regional centres, situated in Australia's largest sugar growing area.

This site is wall mounted and illuminated to capture attention night and day.

Nearby: Mackay Central Business District, TAFE College, Mater Hospital, retail and commercial centres
