Central Station is located in the heart of the CBD and carries up to 105,000 people per day including shoppers, inner-city workers, tourists, students and business professionals. X-Track billboards offer a unique environment and a time rich audience with the average dwell time being approximately 8 mins. Platform 1 services the Southern lines to Cleveland, Gold Coast and Ipswich. Platform 6 services the Northern lines to Shorncliffe, Caboolture and Ferny Grove. Central Station offers cross platform viewing and due to the habitual nature of the passengers a high frequency.
