This single pole 6x3m site is located in one of Brisbane's northern commercial suburbs, approximately 4kms from the city. The site is located on the right hand side of the road and faces traffic inbound to Brisbane city. Burrows Street is a part of Hudson Road, which carries traffic bypassing Abbotsford Road from the northern suburbs of Albion, Lutwyche, Woollowin and Kalinga into Fortitude Valley and the City. The site is well elevated and illuminated to capture attention.

Restrictions: Tower access required
