Located in one of Brisbane's northern suburbs (approximately 9kms from the City), this 6x3m panel is situated to the left of Melton Road and is viewed by traffic heading outbound from the city. Melton Road runs parallel to Sandgate Road and is a busy feeder road used by local residents and commercial traffic from the surrounding suburbs of Toombul, Nundah and Banyo. As such the road carries a good volume of both private vehicle and heavy vehicle traffic.
