This CLASSIC 6x3m billboard is located in the southern suburbs of Townsville, approx. 4 km from the town centre. Abbott Street is one of the two main roads bringing traffic from the Bruce Highway into Townsville. This billboard is on the left hand side of the road and is visible to northbound traffic travelling into town. The site has excellent visibility and provides an opportunity for potential advertisers to capture the tourist 'drive market'.

Restrictions: No advertising of political or religious content.
