

This CLASSIC 6x3 billboard at Deagon Station is located in a residential area and a Park 'n' Ride car park attracts commuters further afield. The station is used by students and staff at Sandgate High School and is only one stop from the Sandgate Retail Strip. NetRail billboards reach a time-rich and entertainment-poor audience, who on average wait 9 minutes for their train, with minimal competition for advertising messages on the platform.

Restrictions: No advertising with political, religious or adult entertainment content.
