ABOUT THIS SITE

This CLASSIC SUPERSITE located only 50 metres south of the major intersection of Beaudesert Road and Granard Road. Located in the heart of a major industrial region, this site is excellent for general broadcast use. Granard Road runs east-west from Ipswich and continues east towards Kessels Road to Mount Gravatt. The site is elevated and captures attention as a busy, congested and slow moving major traffic intersection. Almost 20% of the traffic travelling past this sign are commercial vehicles. This billboard offers an opportunity to have an ALWAYS ON message in a high traffic area ensuring maximum exposure for your brand.

RESTRICTION — Pocket Edge Skins only. No telecommunications advertising. No bottom extensions.
