| Demo   | Reach (PCA) Brisbane | People (28 days) | Frequency (Average) |
|--------|----------------------|------------------|---------------------|
| P14+   | %                    | ,000             |                     |
| P25-54 | %                    | ,000             |                     |
| OG1    | %                    | ,000             |                     |

This single pole CLASSIC SUPERSITE is located next to the M1 Motorway | Pacific Highway and the Logan Hyperdome Shopping Complex. This elevated billboard is visible to vehicles on the Mandew Street overpass which moves traffic into the Logan Hyperdome. This billboard offers an opportunity to have an ALWAYS ON message in a high traffic area ensuring maximum exposure for your brand.

**Restrictions:** Tower access required.
