

This CLASSIC SPECTACULAR site is located halfway between Brisbane and the Gold Coast on the ten lane M1 Motorway just 4 km south of the exit to the Logan Motorway. Highly elevated on a single pole and illuminated this landmark SPECTACULAR is impressive and is one of just a handful of sites located on the M1 on the left hand side of the highway, it's visible to traffic travelling southbound towards Brisbane. The site commands attention as the largest site on the M1 and is viewed by enormous volumes of traffic daily.

Restrictions: Tower access required.
