ABOUT THIS SITE

This CLASSIC 6x3m billboard is on the left side of the Bruce Highway and is visible to traffic travelling northbound to Gladstone. Gladstone, with its natural deep water harbour, is a stepping stone to the southern section of the Great Barrier Reef, which makes Gladstone a popular destination and major business centre for tourists and holidaymakers. This site is an ideal opportunity for quality exposure leading into one of Queensland's main centres and the heavily trafficked Tannum Sands and Boyne Island area.

RESTRICTION — No advertising of political or religious content.
